

Results of Board Poll

Long-Range Plan Priorities

Top 5

Goal 1: RESNA should be identified as the primary professional organization for Assistive Technology.

Goal 2: RESNA Credentialing Program should be identified as the primary program for the AT & RE field.

Goal 3: Develop current RESNA membership (leaders, volunteers, Board orientation).

Goal 4: Increase membership.

Goal 5: Develop a membership services program that is regarded by members as thorough and responsive.

Remaining Goals in Order

- ...promote culture of fiscal responsibility
- ...primary conference for AT field
- ...leader in AT educational offerings
- ...evaluate staffing/infrastructure needs
- ...leader for AT standards
- ...advocate for public policies
- ...create organizational revenue focus
- ...leader in AT research
- ...evaluate membership issues
- ...product improvement/marketing
- ...build reserves to 80%
