

February 7, 2011

Dear Colleague,

It is now time to renew your membership. We value you as a member and hope you will not only renew your membership but your commitment in making RESNA the best organization that it can be. As Chair of the RESNA Membership Committee, I'd like to point out just a few of the ways the organization is working on your behalf:

- **Member only discounts!** RESNA members enjoy discounts on RESNA publications, educational courses, CEU opportunities and the RESNA International Conference. The 2011 Conference will be held in Toronto Canada on June 5-8.
- **Careers grow where RESNA goes.** Remain part of the only group of colleagues who truly understand the nuances of working in the AT field. RESNA maintains the RESNA Career Center which allows members to post their resumes and search job listings at no cost. The Job Board can be found by visiting the RESNA website at <http://resna.org/professional-development/professional-development-job-board>.
- **Assistive Technology®.** The journal is published 4 times a year. As a member, you can elect to receive the journal electronically or in print. Back issues of all RESNA AT Journals are now available electronically dating back to 1989. RESNA is also offering the opportunity to earn CEUs based on the Journal's content. We encourage members to share their knowledge and expertise by submitting articles to the AT Journal. It's easy . . . articles can be submitted electronically via the ScholarOne Manuscripts website located at <http://mc.manuscriptcentral.com/UATY>.
- **Member List serves** The list serves allow members of Special Interest Groups (SIGs), Professional Specialty Groups (PSGs), and Committees to ask questions, seek advice, and share information 24/7, 365 days a year.
- **Special Interest Groups** Your membership includes participation in up to 7 Special Interest Groups and 6 Professional Specialty Groups. There is no limit in the number of SIGs or PSGs in which you can participate. It is all included in the cost of your membership. The SIGs, together with RESNA's Professional Specialty Groups enable discipline-specific Assistive Technology issues to be discussed, provide valuable networking opportunities, and are available only through membership.

Renew your membership and continue being a part of one of the most influential and dynamic AT professional associations.

Membership renewal is easy and secure! Just go online to www.resna.org to renew. You can also print the renewal form and mail or fax it in with payment. Membership is good for a 12-month period from the date the renewal is processed.

We look forward to serving you! If you have any questions about your membership please feel free to contact Dawn Paulson at dpaulson@resna.org or 703-524-6686 x315. If you have any ideas how we can improve RESNA's membership, feel free to contact me directly at Kevin.caves@duke.edu.

Sincerely,

Kevin Caves
Membership Committee Chair
