RE-PSG SALARY SURVEY - 2003

*** Do NOT put your name on this form ***

This salary survey is intended to gather information on the range for Rehabilitation Engineers and Rehabilitation Engineering Technologists. It does not attempt to address the range of salaries for all Assistive Technology Practitioners.

As our job responsibilities evolve, many individuals have a mix of duties. As such, the survey is not meant to gather data on pure service providers only; all RE and RET professionals should reply.

Five pieces of information are needed. Please provide your information as of **June 1, 2003**.
